**TRAFFIC CONTROL ORDER WILL BE IN PLACE FOR
WOODWARD DREAM CRUISE**

August 4, 2017 (Oakland County, Mich.) – The Oakland County Sheriff’s Office is advising local residents and those attending the Woodward Dream Cruise of a temporary traffic control order, which will be in place on Dream Cruise Day, Saturday, August 19th. It will restrict certain types of traffic on Woodward Avenue (M-1) from 9am to 9pm.

This temporary traffic control order will prohibit commercial vehicles, vehicles with trailers, and any vehicle over 10,000 from driving on Woodward Avenue for the designated time period. Those who violate the order will be immediately directed off Woodward and face being ticketed if they refuse to comply with the order.

“The Sheriff’s Office and our local law enforcement partners who are tasked with maintaining the safety and security of the Woodward Dream Cruise sought this one day traffic control order to better protect those attending the event,” said Sheriff Michael J. Bouchard. “This traffic control order will streamline the flow of traffic, enhance the cruise viewing experience, and add a layer of protection for those attending the event.”

Signage will be in place for the event and both the Sheriff’s Office and local law enforcement agencies are asking for the public’s help and assistance in following the traffic control order for the day of the Woodward Dream Cruise.
